

THEATRE SARAGOSSE
17 av Saragosse
64000 PAU
+33 (0)5 59 84 11 93

STAGE

- Opening: 14,65m
- Depth: 9,10m
- Height: 5,95m
- Walls and floor are black and in good condition.

SEATS

- 219 seats
- 169 places in the lower tier
- 50 seats on the balcony

SCENIC EQUIPMENT

- Fixed pipes for sound and light : 10
- Moveable pipes (manual) for legs and borders : 5

SPECIFICITES

- Moveable pipes (marked from A to E on the plan) cannot be used to hang the lights.
- The seats have the same opening than the stage ; the visibility of the lateral seats is reduced in case of opening less than 11m.
- The pipes being fixed, a pre-set is mandatory before the coming of the companies.
- The upstage wall is composed of black wooden panels to improve the acoustic.
- The tower to focus the light is not removable and is stored on stage (hidden in the stage right wall)
